

Compact tiny and nice looking portable unit, optimized for personal security either for professional (guards, work in difficult environment, etc.) or consumer applications.

PART LIST

- > N.01 "All in one" GSM/GPRS units, integrating buttons for programmable actions, GPS receiver, voice capabilities via integrated microphone and external wired headset, antennas and battery
- > N.01 Battery recharger from electrical network
- > N.01 Set of manuals

MAIN FUNCTIONS

- R&TTE and 89/336 approvals.
- SMS, Data, GPRS and Voice communication channels.
- Call ID "no cost" communication capability.
- Location either via GPS or GSM network as a back up.
- Time management based on GPS or internal clock.
- Autonomy range with internal batteries (typical):
 - > 30 min in continuous communication;
 - > 72 hours in idle mode (typical).
 - > 2 weeks (typical) in sleep mode with 1 GSM wakes up per hour and 1 GPS position every 6 hours
- Programmable integrated buttons functions.
- Automatic loss of verticality ("dead man")
- Possibility communication voice with remote C.B.S.
- Fully teleconfigurable logical functions and procedures of system resources.
- Dynamic and programmable management of a wide capacity memory.
- Built-in "Black box" functions with programmable recording strategies.
- Multiple area fencing capability, fully programmable.
- Automatic route and area control, fully programmable Separately (area fencing).
- Programmable current position displacement control.
- Driven time measurement capability, fully programmable.

TECHNICAL CHARACTERISTICS

- a. Dimensions: 84x44x27(LxWxH) mm
- b. Integrated 2W, quad band GPRS phone
- c. Integrated GPS and GSM receiver
- d. Integrated GPS and GSM antennas
- e. 4 programmable buttons
- f. Integrated loudspeaker
- g. Microphone via external wired headset
- h. Integrated SIM card reader
- i. Integrated **1200mAh/3.7V** back up rechargeable battery pack
- j. Integrated USB connector
- k. Integrated connector for battery charging

HOW TO ORDER

S.K.Y. Walking : portable professional locator
